## **Note from the President**

Hello. I've lived in Mount Vernon Estates for 20 years now. I love our community! There are so many activities and fun events. Thank you to everyone who helps plan and organize events and a special thank you to neighbors who help out when we need something done in our subdivision. It has been great meeting many new residents and I hope to meet more at our food truck nights, special events or just when I'm out getting my dog some walking time. If you see me please say, "hello" and introduce yourself.

~Katherine Greig, MVEHA President

## **Annual Meeting**

Our annual meeting this year will be held on **Tuesday, August 22<sup>nd</sup>** at 6pm. This year, we are holding our meeting at the Larson field. It is food truck night! Eat dinner while we meet! Check out the menu for D&W's Street Eatery. We will quickly take care of business that needs to be done, then we will socialize. Hope to see you there! This is a family event.

Insurance of common areas  
Costs of subdivision events

## Entrance Signs

The entrance signs that were purchased and installed in 2008 are beginning to show their age, and in need of some maintenance. When originally installed, the new signs cost \$20,000. 15 years later, they have faded, there is some splitting that can be repaired and the letters need to be tightened. The cost to refurbish and repaint the signs is \$6,042. To help cover this cost, we are asking each house for an extra \$15 to be turned in with your dues this year. It's important to keep the entrances looking nice so that everybody who drives by can see that we are proud of our neighborhood. We appreciate whatever you can give to help defray this cost.
